Dear Stan:

As a member of the Interagency Savings Bonds Committee, you are cordially invited to attend the 1980 Federal Savings Bonds Campaign Kick-off Rally reception on Wednesday, April 9. Our 1980 Honorary Chairman, Pete Rose of the Philadelphia Phillies, will be on hand along with myself in Conference Room B of the Departmental Auditorium at 9:45 a.m. to welcome you. The Auditorium is located on Constitution Avenue, N.W. between 12th and 14th Streets. Please use the driveway on the east side of the auditorium and enter through the last portico.

The reception precedes a kickoff rally which begins at 10:30 a.m. and lasts approximately one hour. This rally will launch the 1980 Savings Bonds Campaign for employees of the Federal Government throughout the world and will give us an opportunity to demonstrate united support for the efforts of our National Government in dealing with the serious economic problems facing us.

Savings Bonds, as a debt management instrument, help finance the programs of our National Government in a highly stable and anti-inflationary way. Every dollar used to purchase U.S. Savings Bonds reduces the amount of commercial borrowing necessary to finance our national debt. The recent decline in personal savings can have devastating effects on both individual financial security and the future progress of our nation. Now is the time to encourage all Americans to save, and the 1980 Savings Bonds Campaign will be important in this effort. With the transition to the new Series EE Savings Bonds this year, it has become particularly necessary to provide accurate information about benefits of this program. The April 9 Federal Kickoff Rally is a major step in that process.

We look forward to meeting you on April 9. To assist us in completing the necessary plans, please reply by telephone no later than April 7, 1980 to Gilbert L. Goff, Liaison to the Committee. Mr. Goff can be reached on 634-5347 or 634-5385.

Sincerely,

*Harold Brown*
